

Ysgol Gyfun Emlyn

Seremoni Wobrwyo Presentation of Awards

Blwyddyn Academaidd
2019/ 2020
Academic Year

Croeso / Welcome

In normal times I would have been welcoming the Guest Speaker to our Presentation Evening 2020. However these are not normal times and the last few months have been extraordinarily stressful for everyone and especially Emlyn pupils and staff. In addition, those pupils who had not been able to sit their exams were faced with the extra strain of coping with chaotic and then revised results. On behalf of the Governing Body I would like to thank the whole school for the ways in which they have risen to the challenges of this unprecedented situation. With on-line teaching and regular monitoring hopefully all our pupils will have had opportunities to continue learning albeit in a very different way. The Governors would like to congratulate all the pupils on last year's individual successes, and wish those now returning a more traditional academic school year.

Mrs Maureen Webley

Cadeirydd y Corff Llywodraethol / Chair of the Governing Body

Neges o'r Pennaeth

Headteacher's Address

I am sure that you agree 2020 has been a year like no other. It is difficult to comprehend how quickly and significantly our lives have changed this year. Phrases that were never used like - 'self-isolating' and 'new normal' have become a part of our everyday vocabulary. Normality disappeared almost over night.

This makes the achievements of our pupils this year even more remarkable. Our annual prize evening celebrates the achievements of all our pupils over the last year. What they have all achieved in such difficult circumstances is truly remarkable. When you consider that normal lessons stopped in March and that learning took place on line.

Despite the difficulties they faced our pupils have produced record results, the highest in the history of the school. They achieved these results through hard work and commitment.

As Headteacher I would like to thank everyone who is involved with the school for making Ysgol Gyfun Emlyn a place where pupils achieve so highly. Firstly I would like to thank the teaching staff for their work before and during lockdown. We are blessed with excellent teachers at the school who are prepared to give their time freely to help our pupils. This continued through the lockdown with digital lessons replacing face to face teaching. Our support and administration staff also helped make this possible. Having such a committed and hardworking staff certainly makes my job much easier.

I would like to thank the parents for the support they have given their children during the year. I am sure that many teenagers take their parents for granted and haven't thanked them for the support. However, without this support success would be so much more difficult to achieve.

I would like to thank the governing body and the members of the community for their total support for the school over the year. Ysgol Gyfun Emlyn is a community school and this support is important to us.

Finally, and most importantly I would like to thank the pupils. Throughout their time at the school they have worked hard and met every challenge with determination and enthusiasm. Our future is in safe hands with the class of 2020.

Thank you

Mr Hugh Thomas
Pennaeth / Headteacher
